

Academic Standards and Quality Committee

Terms of Reference

Purpose

The purpose of the Academic Standards and Quality Committee is to secure the standards, and enable the academic quality of The London Institute of Banking & Finance's higher education awards. The Academic Standards and Quality Committee achieves this by managing the framework of LIBF's regulations and code of practice, and reviewing the effectiveness of the appropriate strategies, policies and procedures.

These duties are delegated to it by the Academic Board.

Status

The Academic Standards and Quality Committee is a sub-committee of the Academic Board and acts under delegated authority from the Academic Board. It delegates duties to a series of sub-committees as determined by LIBF's Academic Governance Structure and may advise and be advised by, where appropriate, other sub-committees of the Academic Board.

The proceedings of the Academic Standards and Quality Committee are conducted in accordance with the 'Standing Orders of the Academic Sub-Committees of the Board of Governors'.

Meetings

The Academic Standards and Quality Committee meets a minimum of two times a year.

Reporting

The Academic Standards and Quality Committee reports to the Academic Board after each meeting and contributes to the academic standards and quality annual report which is presented by the Academic Board to the Board of Governors.

Sub-committees provide updates to the Academic Standards and Quality Committee when and where appropriate.

Terms of reference

The Academic Standards and Quality Committee will manage and transact the following business:

1. Regulatory alignment

Develop and implement policy in relation to external quality assurance operations including consideration of reports by the Quality Assurance Agency.

2. Academic framework

a. Maintain and review, subject to the approval of the Academic Board where applicable, LIBF's regulatory framework (including the General and Academic Regulations for Students and Code of Practice for Quality Assurance) for all higher education awards;

b. Regularly review the framework to take due account of legislation, external reference points (including the QAA's UK Quality Code and Credit framework for higher education qualifications), sharing of good practice and student feedback.

3. Strategy and policies

Regularly monitor and review the strategies, policies and other documents which support the academic framework relating to academic standards to ensure they are fit for purpose, up to date and align with legislation and external reference points.

4. External examining

a. Appoint external examiners to all higher education programmes based on the criteria and terms of appointment set by the Academic Board;

5. Assessment Boards

a. Ensure Assessment Boards are run in accordance with their principles and procedures;
