

## Wider information set

We are committed to making it easy for prospective and current students and the general public to access information about The London Institute of Banking & Finance.

The Higher Education Funding Council for England (HEFCE) has specified the information they expect higher education providers to make available online or by request. The following information forms part of what HEFCE has described as the wider information set (WIS):

- Institutional context
- Aspects of courses and awards
- Quality and standards of programmes

### Institutional context
