

**Update: 30 June 2021**

Thank you to all centres for your continued hard work and support to your learners.

### **Requests for Evidence**

Following the submission of TAGs, our teams have reviewed these and (where required) have contacted centres requesting further information and/or evidence to support their TAGs. Thank you to all centres for your prompt response to our requests. We do understand the challenges these requests may pose and continue to ask (when requests are made) that centres respond within 48 hours of these requests being made.

We are making final requests this week and all centres who we are requesting any evidence from will have received contact from LIBF by the end of the day on Friday 2 July 2021.

### **Continued Support**

In our communications next week, we will confirm details of the appeals process and Autumn assessments for LIBF qualifications. Please do continue to let us know, via [fcexams@libf.ac.uk](mailto:fcexams@libf.ac.uk), if you have any individual questions or concerns and we will do our utmost to support you.

Thank you for your continued support.
