

Update: 8 June 2021

Teacher Assessed Grades (TAGs) – Summer 2021

We do hope that you and your centre community had a restful and enjoyable half-term holiday.

We remain committed to our regular communications to our centres to provide support and guidance where possible. This week we have a reminder of key details for TAGs and some additional information on processes following questions from several of our centres.

Submission of TAGs

The submission window for TAGs is currently open and will close at **5pm on Friday 18 June 2021**. Please note that, for any submissions made to us after this date, we will be unable to guarantee that the TAGs will be processed in time for the release of results on results day in August. Instructions on how to enter TAGs can be found on our website [here](#).

The TAGs submitted must be at overall qualification level. When submitting TAGs, please ensure that a TAG is submitted for **every** student who is completing a qualification in an academic year ending in 2021. For example, if your centre has students completing the LiFE Certificate in 2021, then a TAG may also be required for the LiFE Award (as long as the LiFE Award is also in an academic year ending 2021).

The Head of Centre Declaration can be found [here](#). Please only submit the Head of Centre Declaration once all TAGs, for all qualifications, have been submitted via MyLIBF. If there is additional information that you wish for us to be aware of, please send this via email to fcexams@libf.ac.uk at the time of completing your declaration. All declarations and any additional information should also be submitted by **5pm on Friday 18 June 2021**.

Continued support

We understand and appreciate what a busy time this is for you and your centre. Please do continue to let us know, via fcexams@libf.ac.uk, if you have any individual questions or concerns regarding the current TAG process and we will do our utmost to support you throughout the process.

Thank you for your continued support.

Best wishes
