

Update: 17 May 2021

Thank you to all centres for your continued hard work and support to your learners.

Key Date Reminders

We have sent regular communication over recent weeks and today's email is a reminder of our key dates:

- TAG Process via MyLIBF - Wednesday 26 May 2021 - Friday 18 June 2021 (end of day)

Details on how to input your centre's TAGs will be sent out at the start of next week; this will include guidance on how to submit these using your MyLIBF account, including screenshots, and written instructions. Please note that the window of submission applies to all centres who are delivering LIBF qualifications, regardless of geographical location.

- All registrations for LiFE, CeFCCD and AiFE/CeFE top-ups - Friday 14 May 2021 (5pm)

The date for final registrations for the above qualifications has now passed. Any additional registrations will only be accepted in exceptional circumstances; these will be reviewed on a case-by-case basis by our operations and assessments team. Please contact fcexams@libf.ac.uk urgently if this affects your centre.

Continued Support

We have continued to work with all of our centres and provide the level of support that you have come to expect from LIBF. This has been in the form of weekly communication to all centres or emails/calls and/or meetings with individual centres. Please do continue to let us know, via the above email, if you have any individual questions or concerns regarding the current TAG process and we will do our utmost to support you throughout this process.

We will continue to communicate details each week until further notice.

Thank you for your continued support.
