Purpose of the qualification

Why study the LIBF Level 3 Certificate in Mortgage Advice and Practice (CeMAP)?

The Certificate in Mortgage Advice and Practice (CeMAP[®]) meets the education standard required by the Financial Conduct Authority (FCA) of anyone wishing to achieve a 'licence to practise' and work as a mortgage adviser.

CeMAP is primarily designed for students aged 19+. Students aged 16-18 are also eligible to study this qualification, for example through an apprenticeship.

Objectives

CeMAP[®] develops specialist knowledge and skills by introducing you to the purpose and structure of the UK financial services industry. Within this, it provides a solid introduction to the mortgage advice sector, by exploring the rules and regulations that govern the sector and the factors that impact on personal financial plans.

Key content areas

- Purpose and structure of the UK financial services industry.
- Financial Conduct Authority (FCA's) main aims, activities and relevant Conduct of Business rules.
- The house-buying process and parties involved.
- The different types of customer and their needs for different types of mortgages.
- Assessment of affordability and suitability of different mortgage options and associated protection products.

Qualification learning outcomes

On completing this qualification, you will:

Unit 1

LO	Detail	Assessment criteria
LO1	Understand the structure and regulation of the UK financial services industry, asset classes and the interaction between the types of financial services products and clients' requirements.	1 2
LO2	Understand the main asset classes and features of financial services products, and the main financial advice areas.	3 4
LO3	Understand the process of giving financial advice, the basic legal concepts, and the basic UK tax and benefits system.	5 6 7
LO4	Understand the types of interest and impact on client needs and solutions	8

Unit 2

LO	Detail	Assessment criteria
LO5	Understand the role of oversight groups, the requirements of the regulator and other laws relating to the provision of advice.	1 3
LO6	Understand the non-tax laws, regulations and codes of conduct features of the regulator's Conduct of Business Rules and how they apply to clients.	2 6
LO7	Understand the regulator approach to regulation and how the rules affect the control and structures of firms.	4 5
LO8	Understand how anti-money laundering regulations apply.	7
LO9	Understand the main features of rules for dealing with complaints and how the Data Protection Act affects the provision of financial advice.	8 9

Unit 3

LO	Detail	Assessment criteria
LO10	Know the regulatory definition of different types of mortgages, Buy to Let mortgages, Consumer Buy to Let mortgages, second charges and equity release.	1
LO11	Know the house-buying process, the key parties involved and their roles.	2
LO12	Know the process and implications of buying property at auction.	3
LO13	Know the common types of borrower and how their main mortgage related requirements may differ and what factors may disqualify people from borrowing.	4
LO14	Understand the main requirements of the Mortgage Conduct of Business Rules and the legislation affecting mortgages.	5
LO15	Understand the economic and regulatory context for giving mortgage advice.	6

Unit 4

LO	Detail	Assessment criteria
LO16	Understand the role of a Mortgage Adviser.	1
LO17	Understand the purpose of additional security, including the role of guarantors.	2
LO18	Understand the fees and charges involved in arranging a mortgage.	3
LO19	Know the principal types of property defect that surveys can identify and understand their implications when seeking a mortgage.	4
LO20	Understand the principal factors affecting the value of property.	5
LO21	Understand the different forms of valuation and survey.	6
LO22	Understand the need to obtain Local Authority planning consent for house development/extensions.	7

Unit 5

LO	Detail	Assessment criteria
LO23	Understand the need for financial protection planning.	1
LO24	Identify the main sources of financial protection.	2
LO25	Identify the regulation of insurance products and how it provides consumer protection.	3
LO26	Understand the main features of life assurance protection policies and options to meet consumers' financial protection needs.	4
LO27	Understand the range and application of income protection to meet consumers' financial protection needs.	5
LO28	Understand the range and application of critical illness to meet consumers' financial protection needs.	6
LO29	Understand the main features of insurance based mortgage protection policies.	7
LO30	Understand the needs and priorities in selecting appropriate financial protection solutions.	8

Unit 6

LO	Detail	Assessment criteria
LO31	Understand the structure and features of different types of mortgages.	1
LO32	Understand the principles, procedures and considerations associated with raising additional money.	2
LO33	Understand the principles, procedures and costs of transferring and amending mortgages.	3
LO34	Understand the implications of consolidating debt appropriately within a mortgage.	4
LO35	Understand the implications of the non-payment of mortgages and other breaches of the Mortgage Deed.	5
LO36	Understand the legal rights and remedies available to lenders in respect of non-payment from borrowers.	6

Unit 7

LO	Detail	Assessment criteria
LO37	Analyse the key features of different mortgage solutions and their suitability for different customer's circumstances.	1
LO38	Analyse the key features of different forms of property purchase and specialist mortgage lending and their suitability for different customer's circumstances.	2
LO39	Apply the rules and regulations governing mortgage lending, mortgage advice and the sale of associated mortgage protection arrangements.	1
LO40	Apply the principles of ethical and sustainable advice to suit customers' circumstances.	2

Key skills developed

The qualification will encourage you to:

- develop an understanding of how mortgage related financial products respond to the drivers and implications of changes in the wider environment and how these changes affect an individual's financial decision-making;
- demonstrate numeracy skills, including the ability to manipulate financial and other numerical data;
- use appropriate data and information from a range of sources to make financial decisions; and
- enhance your ability to work and learn independently.

Entry requirements

There are no entry requirements. However, you need to be satisfied of your ability to study in English at RQF Level 3.

Recognition of prior learning

The London Institute of Banking & Finance recognises prior learning in different forms.

Successful completion of the Level 3 Certificate in Protection (CertPro) provides an exemption to Unit 5, Mortgage Related Protection Products (MRPP) of CeMAP® or equivalent.

In addition, you may not be required to register for every unit of CeMAP®. Details of how to apply for recognition of prior learning are available on our [website](#).

Progression and preparation for further study

If you wish to achieve a further licence to practise and provide advice on equity release products, CeMAP® forms part of the Certificate in Regulated Equity Release (CeRER®). If you have completed CeMAP® you could also progress to the Level 4 CeMAP Diploma.

As a free-standing qualification, CeMAP® provides a platform for continued study within the financial services sector and a wide range of other business-related disciplines.

Apprenticeships

CeMAP® appears in the Mortgage Adviser Apprenticeship Standards and is designed to provide a solid foundation in financial services that underpins employment in many fields within the financial sector. This foundation is across a wider range of opportunities than would be found within a single apprenticeship standard.

Further details can be found on the [Government website](#).

Preparation for employment

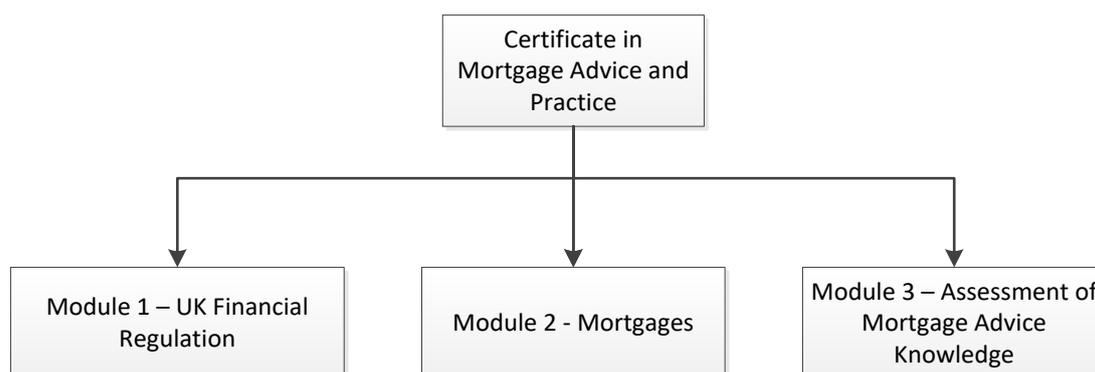

CeMAP[®] meets the FCA's education standard required for mortgage advisers. It also develops knowledge and understanding of financial services and mortgage advice and enhances skills that are valued within the sector and others.

You will be in a position to make an informed choice, whether to pursue a career within the financial services sector immediately or after further study. You may also apply the financial skills that you have developed to other careers or study options.

If you are seeking to continue in education, CeMAP[®] provides a foundation for further study in business and finance-related disciplines.

Structure

CeMAP[®] is made up of **seven mandatory units within three modules** which need to be successfully completed to achieve the certificate:

Module 1 - UKFR

Unit 1: Introduction to Financial Services Environment and Products (ITFS)

Unit 2: UK Financial Services and Regulation (UKFS)

Module 2 - MORT

Unit 3: Mortgage Law, Policy, Practice and Markets (MLPP)

Unit 4: Mortgage Applications (MAPP)

Unit 5: Mortgage Related Protection Products (MRPP)

Unit 6: Mortgage Payments Methods and Post-Completion Issues (MPMC)

Module 3 - ASSM

Unit 7: Assessment of Mortgage Advice Knowledge (ASSM)

Total Qualification Time (TQT)

Total Qualification Time (TQT) is a prediction of the total time a student with no prior knowledge might need to complete the course.

TQT consists of two elements, Guided Learning (GL) and all other hours:

- GL is time spent studying under the immediate guidance of supervision of a teacher.
- All other hours include hours spent unsupervised in research, learning, e-learning, e-assessment and exam preparation.

CeMAP[®] is primarily considered as a distance learning qualification with on-demand examination sessions.

Guided Learning Hours	6 hours
Other hours	235 hours
Total Qualification Time	241 hours

Learning resources

Students are provided with the following learning resources:

- Hard copy and online copy of the study text.
- Online access via **My LIBF** to learning materials and to KnowledgeBank (virtual library).
- Weekly study planner.
- Syllabus updates.
- Tax table.
- Online Quizzes.
- Activities and recaps.

In addition to the study texts supplied, you can purchase additional study support, provided in the form of:

- Specimen examination papers.
- CeMAP[®] Revision Tool (CRT).
- Ask The Experts (online tutor support).

What to do before the assessment

You must be registered to sit an examination managed by you. Examinations are sat electronically at any one of the 150 Pearson VUE test centres across the UK or via Remote Invigilation where you can sit your assessment remotely.

It is recommended that exams are booked two months in advance of the date you wish to sit. However, subject to availability, an examination can be booked as little as two working days in advance. Examinations can be booked over the [phone](#) or via the [Pearson VUE website](#).

To prepare for the assessment, you should make use of all learning resources.

Assessment

All components and units are mandatory and assessed.

Module 1 - UKFR

Units 1 & 2: Each unit comprises 50 stand-alone multiple-choice questions (MCQs). You need to achieve at least 35/50 (70%) to pass each unit.

Module 2 - MORT

Units 3 & 4: Each unit comprises 25 stand-alone multiple-choice questions (MCQs). You need to achieve at least 17/25 (68%) to pass each unit.

Unit 5: This unit comprises of 20 stand-alone multiple-choice questions (MCQs). You need to achieve at least 14/20 (70%) to pass this unit.

Unit 6: This unit comprises of 30 stand-alone multiple-choice questions (MCQs). You need to achieve at least 21/30 (70%) to pass this unit.

Module 3 - ASSM

Unit 7: This unit comprises 6 case studies each with 10 linked MCQs. You need to achieve at least 42/60 (70%) to pass this unit.

Qualification grading

The overall qualification will be graded pass only. However, you will be able to achieve passes at merit level and distinction level within each unit of CeMAP.

Individual unit grading is detailed further within each unit appendix.

Feedback is provided within your analysis sheets (available on www.mylibf.ac.uk) for each unit to see a breakdown of your assessment performance.

Re-sit attempts

As CeMAP comprises seven units, you will only need to re-sit the unit in which you were unsuccessful.

There are no restrictions on the number of times you can re-sit a unit although each re-sit will require a new registration.

Appendices

Appendix 1 – Regulation detail

This document describes the regulation detail that is applicable to the qualification.

Qualification description	The Certificate in Mortgage Advice and Practice consists of seven mandatory units. A total credit value of 24 must be obtained for achievement of the qualification.

Appendix 2 – Unit 1 – Introduction to Financial Services Environment and Products (ITFS)

This unit introduces you to the financial services industry by focusing on the structure of the UK financial services industry and the interaction between the types of financial services products and clients' requirements.

You will gain an understanding of the main asset classes and features of financial services products and an appreciation of the UK tax and benefits system. You will gain an appreciation of the process of giving financial advice along with the legal concepts relevant in financial advice.

Unit title	Unit 1: Introduction to Financial Services Environment and Products (ITFS)
Ofqual unit reference number	L / 501 / 8715
Unit level	3
Unit credit value	5
Typical study hours	50

Unit 1 assessment methodology

The assessment of Unit 1 has one component:

50 multiple-choice questions. This component of the examination is to be completed in one hour.

This component of the examination is worth 50 marks.

This unit is graded as follows:

Grade	Mark
Pass	35/50 (70%)
Pass (at merit level)	40/50 (80%)
Pass (at distinction level)	45/50 (90%)

Unit 1 Assessment Criteria / Assessment Content

Learning outcomes		Assessment criteria The learner will be assessed on the following areas:
1. Understand the purpose and structure of the UK financial services industry.	U1.1 U1.2 U1.3	The function of the financial services industry in the economy – transferring funds between individuals, businesses and government. The main institutions/organisations – markets, retail institutions, wholesale institutions, market participants. The role of the EU and of the UK government – regulation, taxation, economic and monetary policy, provision of welfare and benefits.
2. Understand the main financial asset classes and their characteristics.	U2.1 U2.2 U2.3 U2.4	Cash deposits and money market instruments. Government securities and corporate bonds and Eurobonds. Equities. Real estate – residential and commercial.
3. Understand the main financial services product types and their functions.	U3.1 U2.2 U3.3 U3.4 U3.5	Direct investment – cash, government securities and corporate bonds, equities and property, commercial money market instruments, enterprise investment schemes (EIS) and venture capital trusts (VCT). Mortgages and other secured and unsecured loans, bridging finance, personal and commercial loans. Tax incentivised savings. Life, health and general financial protection.
4. Understand the main financial advice areas.	U4.1 U4.2 U4.3 U4.4 U4.5 U4.6 U4.7	Budgeting. Protection. Borrowing and debt. Investment and saving. Retirement planning. Estate planning. Tax planning and offshore considerations.
5. Understand the process of giving financial advice, including the importance of regular reviews of the consumer's circumstances.	U5.1 U5.2 U5.3 U5.4 U5.5 U5.6 U5.7	The nature of the client relationship, confidentiality, trust and consumer protection. Assessing attitude to risk. Factors determining how to match solutions with consumer needs and demands. Assessing affordability and suitability. The effective use of communication skills in giving advice and how to adapt advice to customers with different capacities and needs. The importance of monitoring and review of consumers' circumstances. The Information for consumers must be given under current regulatory requirements.

6. Understand the basic legal concepts relevant in financial advice.	U6.1 U6.2 U6.3 U6.4 U6.5 U6.6 U6.7	Legal persons – individuals, wills, intestacy, personal representatives (and administration of estates), trustees, companies, limited liabilities and partnerships. Contract, capacity to contract. Agency. Real estate, personal property and joint ownership. Power of attorney and substituted decision making. Insolvency and bankruptcy. Identifying potential scams / notifying and reporting of scams / awareness of the impact of scams.
7. Understand the UK taxation and social security systems and how they affect personal financial circumstances.	U7.1 U7.2 U7.3 U7.4 U7.5 U7.6 U7.7 U7.8 U7.9	Concept and importance of residency, domicile and reciprocal tax treaties. UK Income tax system – liability to income tax, allowances, reliefs, rates, employed and self-employed income and priorities for taxing different classes of income. Capital gains tax – liability to CGT, disposals, death, deductions, losses, main reliefs and exemptions and basic calculation of chargeable gains. Inheritance tax – liability to IHT, main exemptions and calculation of IHT liabilities. Corporation tax. Stamp duty on securities, including real estate and real estate funds. Taxation of investments and property. National insurance. State benefits and HMRC Tax Credits.
8. Understand the impact of inflation, interest rate volatility and other relevant socio-economic factors on personal financial plans.	U8.1 U8.2 U8.3	Definition and common measure of inflation, deflation, disinflation and relevant indices. The different types of interest rates and what factors they impact over time. Economic cycles and market volatility.

Appendix 3 – Unit 2 – UK Financial Services and Regulation (UKFS)

Unit narrative

This unit introduces you to the regulation of UK financial services and the relationship between regulation and legislation. It highlights the role of the Financial Conduct Authority and Prudential Regulation with regard to regulating firms and individuals. You will also gain an insight into other financial services regulations and codes of conduct which are relevant to the process of advising clients.

Unit title	Unit 2: UK Financial Services and Regulation (UKFS)
Ofqual unit reference number	R / 501 / 8716
Unit level	3
Unit credit value	4
Typical study hours	38

Unit 2 assessment methodology

The assessment of Unit 2 has one component:

50 multiple-choice questions. This component of the examination is to be completed in one hour.

This component of the examination is worth 50 marks.

This unit is graded as follows:

Grade	Mark
Pass	35/50 (70%)
Pass (at merit level)	40/50 (80%)
Pass (at distinction level)	45/50 (90%)

Unit 2 learning outcomes / assessment criteria

Learning outcomes		Assessment criteria The learner will be assessed on the following areas:
1. Understand the main aims and activities of the Financial Conduct Authority (FCA)/PRA and their requirements for ethical conduct by firms and individuals.	K1.1 K1.2 K1.3 K1.4 K1.5 K1.6	The role, activities and statutory objectives of the FCA and PRA. Key features of the FCA's principles for businesses. The approach to and requirements for the fair treatment of customers, conduct risk and customer outcomes. Arrangements, systems and controls for senior managers. Authorisation, supervision, appointed representatives and the fit and proper test for senior managers and certified persons under the approved persons (APER) or Code of Conduct (COCON) as appropriate. Banking Conduct of business (BCOB) and Payment Services Directive.</p>
<p>7. Understand how the Anti-Money Laundering regulations apply to dealings with clients and customers.</p>	<p>U4.1 U4.2 U4.3 U4.4 U4.5 U4.6 U4.7 U4.8 U4.9</p>	<p>Definition of financial crime and proceeds of crime. Money laundering regulations. Money laundering offences and the Terrorism Act. Client identification procedures and credit reference agencies. Record keeping requirements. Reporting procedures. Training requirements. The role of the Financial Action Task Force. Anti Bribery and Corruption.</p>
<p>8. Understand the main features of the rules for dealing with complaints and compensation.</p>	<p>U5.1 U5.2 U5.3 U5.4 U5.5 U5.6</p>	<p>Consumer rights and remedies, including awareness of their limitations. Firms internal complaints procedures. The Financial Ombudsman Service (FOS). The Financial Services Compensation Scheme (FSCS). The Pension Ombudsman. The Pension Protection Fund.</p>
<p>9 Understand the role of the Information Commissioner's Office (ICO).</p>	<p>U6.1 U6.2 U6.3</p>	<p>Definitions in the Data Protection Act. The data protection principles. Enforcement of the Data Protection Act.</p>

Appendix 4 – Unit 3 – Mortgage Law, Policy Practice and Markets (MLPP)

Unit narrative

This unit introduces you to the regulation of the different types of mortgages and equity release products. It provides an overview of the house-buying process and the different types of borrower. You will also gain an appreciation of the Mortgage Conduct of Business Rules.

Unit title	Unit 3: Mortgage Law, Policy Practice and Markets (MLPP)
Ofqual unit reference number	Y/501/8717
Unit level	3
Unit credit value	3
Typical study hours	30

Unit 3 assessment methodology

The assessment of Unit 3 has one component:

25 multiple-choice questions. This component of the examination is to be completed in 30 minutes. This component of the examination is worth 25 marks.

This unit is graded as follows:

Grade	Mark
Pass	17/25 (68%)
Pass (at merit level)	20/25 (80%)
Pass (at distinction level)	22/25 (88%)

Unit 3 learning outcomes / assessment criteria

Learning outcomes		Assessment criteria The learner will be assessed on the following areas:
1. Understand the regulatory definition of different types of mortgage and regulated mortgage contracts.	K1.1 K1.2 K1.3	Regulatory definitions as given in MCOB. Legal definition. Definition of a regulated second charge loan.
2. Understand the house-buying process, the key parties involved and their roles.	K2.1a K2.2a K2.1b K2.2b K2.3b	<p>England/Wales Role of estate agent, valuer, conveyancer and legal adviser. Process to contract exchange, completion and when a contract becomes binding or private treaty.</p> <p>OR</p> <p>Scotland Role of estate agent, valuer and legal adviser. Conditional and unconditional offer Acceptance, conclusion of missives, completion and private bargain.</p>
3. Understand the process and implications of buying property at auction.	K3.1 K3.2	Requirement for funding (i.e. cash and mortgage commitment) to be in place up front. The two methods of purchasing property via auction and the procedures to complete purchase.
4. Understand the common types of borrower and how their main mortgage related requirements may differ and what factors may disqualify people from borrowing.	K4.1 K4.2 K4.3 K4.4 K4.5	Private, residential borrowers, consumer buy to let borrowers and second charge borrowers. Eligible counterparty, commercial borrowers and high net worth. Borrowers, property investors, buy to let borrowers, mortgage professionals, business borrowers and vulnerable customers. Those who will face difficulty in borrowing, impaired credit status and mortgage trapped. Those who cannot borrow.

<p>5. Understand the main requirements of the MCOB rules and the legislation affecting mortgages.</p>	<p>U1.1 U1.2 U1.3</p>	<p>Role and responsibilities of the lender. Role and responsibilities of the adviser. Other legislation affecting mortgages: England Consumer Protection from Unfair Trading Regulations 2008 and 2014; Contract Law; Principles of Agency; Consumer credit legislation; Legal obligations and guarantors; Lenders Rights and Borrowers Covenant; Financial Services and Markets Act 2000 and Financial Services Act 2012 (including the Mortgages and Home Finance: Conduct of Business Rules); and Mortgage Credit Directive.</p> <p>OR</p> <p>Scotland Policies, as determined by the Scottish Executive, affecting the mortgage process and property market in Scotland: Matrimonial Homes Act (e.g. single borrowers require an affidavit); Tenancy Act; Mortgage Rights Act; Statutory Repair Act; Bankruptcy Act (refers to 'sequestration' in Scotland); Land Tenure Reform Act; Feu disposition (reference Land Certificate in England/Wales); and Court decree (reference County Court Judgment in England/Wales).</p>
<p>6. Understand the economic and regulatory context for giving mortgage advice.</p>	<p>U2.1 U2.2 U2.3 U2.4 U2.5</p>	<p>The property market and the main conditions that affect it. Interest rates and their drivers. The UK mortgage lending sector. Buy to let and consumer buy to let mortgages. Mortgage and second charge regulation (MCOB).</p>

Appendix 5 – Unit 4 – Mortgage Applications (MAPP)

Unit narrative

This unit introduces you to the mortgage application process and procedures. It provides you with an understanding of the role of the mortgage adviser, the different types of fees and charges relating to mortgage application and the factors affecting the valuation of a property and the different types of valuation.

Unit title	Unit 4: Mortgage Applications (MAPP)
Ofqual unit reference number	D/501/8718
Unit level	3
Unit credit value	3
Typical study hours	30

Unit 4 assessment methodology

The assessment of Unit 4 will have one component:

25 multiple-choice questions. This component of the examination is to be completed in 30 minutes. This component of the examination is worth 25 marks.

This unit will be graded as follows:

Grade	Mark
Pass	17/25 (68%)
Pass (at merit level)	20/25 (80%)
Pass (at distinction level)	22/25 (88%)

Unit 4 learning outcomes / assessment criteria

Learning outcomes		Assessment criteria The learner will be assessed on the following areas:
1. Understand the role of a Mortgage Adviser and the principles of providing advice to deliver a fair outcome for the customer.	U1.1 U1.2 U1.3 U1.4 U1.5 U1.6 U1.7	Affordability. Suitability. Risk. Term of mortgage. Principles of ethical advice, including regulatory guidance (for example and Treating Customers Fairly). Methods of verifying information supplied by consumers (plausibility). Methods of checking that mortgage solutions match consumer immediate and long term needs and circumstances.
2. Understand the use of additional forms of security.	U2.1 U2.2	The implications for a lender and borrower of taking additional forms of security. higher lending charges, guarantors and surety. The rules and regulations governing additional forms of security.
3. Understand the fees and charges involved in arranging a mortgage.	U3.1 U3.2 U3.3	Fees and charges relating to the purchase of the property, including relevant taxes (Stamp Duty Land Tax and Land and Buildings Transaction Tax) legal / solicitors fees, Local Authority searches, bankruptcy searches, money transfer costs and environmental searches, e.g. flooding, mining, survey fees EPCs and other specialist reports and title indemnity fees.
